ABOUT

Smaran — known professionally as Smaran Sai — is a music composer and singer who has quietly built one of the most distinctive catalogues in contemporary Telugu independent cinema. Born and raised in Barkatpura, Hyderabad, he began performing at local venues as a teenager before finding his voice in the overlap between film scoring and indie music.

He made his feature debut with Ajay Bhupathi's RX 100 (2018) — a film whose raw energy demanded an equally raw score. Smaran delivered, and the industry noticed. He went on to score the AHA web series Kotha Poradu (dir. Anvesh Michael), Pressure Cooker, Boys, Pachchis, and most recently Psych Siddhartha (2026).
