ABOUT

Faraz OG is an independent rapper and a core member of B12 Band, represented by MC. He is one of the artists we identified from the local Hyderabad cypher circuit — and he stood out immediately for the sharpness of his pen and the confidence of his delivery.

His single Zaruri Behes — released through MC — is a showcase of what Faraz does best: layered lyricism, a distinctive voice, and a refusal to compromise his sound for easy palatability. He raps in a blend of Urdu, Hindi and English that reflects his background and gives his music a texture that's uniquely his own.
