ABOUT

Lazy — real name Sharath Pawar — is an independent rapper represented by MC. Don't let the name mislead you: what reads as laid-back on the surface is actually very deliberate. His flow is unhurried in a way that draws you in and keeps you there, and his wordplay rewards attention.

Sharath comes from a different part of India than the rest of the B12 collective, and that difference of context shows up in his music in the best way — it gives him a perspective and a set of references that no one else in the Hyderabad independent scene is working with quite the same way.
