ABOUT

Sai Yogi G is a Hyderabad-based actor, lyricist and filmmaker whose work spans stage, screen and song. He speaks the city — Deccani, Telugu and English — with the fluency of someone who grew up on its streets and learned his craft through workshops with Natarang Theatre Group and B Studio before the industry had a chance to smooth any of it out.

His screen career began with Nirudyoga Natulu — Avanti Cinema's debut web series — where he played his first full-length character. Since then he has appeared in nearly every Avanti Cinema project: Pickpocket, Double Engine, Chivaraku Migiledhi and the short film Neramu Shiksha. In 2025 he made his theatrical feature debut in Saree, directed by Ram Gopal Varma — a significant step up in commercial profile for an actor who earned it the slow, credible way.
