ABOUT

Thanmai Bolt is a Telugu actress, singer, and multidisciplinary artist with a career defined by bold, unconventional choices. She gravitates toward content-driven, character-heavy roles — the kind that demand presence and truth rather than formula — and that instinct has placed her at the centre of some of the most talked-about independent Telugu projects of the last decade.

Her breakthrough came with Palasa 1978, an uncompromising period social-drama exploring caste politics in rural Andhra Pradesh. She followed it with the acclaimed aha web series Kotha Poradu and a memorable role as Nagamani in Mangalavaram (2023), Ajay Bhupathi's psychological mystery-thriller. Her ability to hold ground in hyper-realistic, ensemble-driven narratives is what sets her apart.
